

I am sending you this text because my heart is burdened for my friend, Lacie. She was falsely accused and wrongfully convicted and began serving a sentence of three life terms on April 1, 2009 for a crime she NEVER committed. Today, over 14 years later, and because of the way the laws are written in Colorado, she must say she committed the crime/lie in order to be released.

She refuses to do this and because of that she will spend the rest of her life in prison - INNOCENT - with NO WAY OUT - away from her sons, family, and friends, unless the laws are changed. That is why I am asking for your help.

Would you consider signing her petition? You can do so by clicking here: **(link to [change.org](#) petition)**

(We ask that you do not donate to her petition fund when asked - we have a separate fund set up if you are interested in supporting Lacie's legal expenses here: **(link to Givesendgo)**)

The tragedy of what happened to Lacie in our "justice" system can be seen here in this video: **(link to clemency video)**

Lacie has stood her ground ever since she was falsely accused and arrested in 2006 - we are asking the Governor of Colorado to look into the injustice that took place in Lacie's case and right the wrong - IT IS TIME!!!
